Ask a Question

If we can be of any further assistance please don't hesitate to **contact us.**

**fast and reliable service guaranteed.**

**Buying**

- **Benefits for the buyer - Save Money.** Competitive bidding drives down purchasing costs for capital equipment, material and services.
- **Save Time.** Stop waiting weeks or months for suppliers to submit tenders. 24-7's auction services streamlines the purchasing process by reducing the tender process to "hours" allowing your business to move forward immediately with its purchase.
- **Get Started Quickly.** 24-7's auction facility requires no additional software and is easy to operate, minimal training is required for you business to start realising immediate cost and time saving benefits.
- **Expand your Suppliers List.** 24-7 can help you expand access to local, National and Global suppliers.
- **Eliminate Security Risks.** 24-7 uses the latest security measures to protect your confidential information.
- **Full Technical Assistance.** 24-7's Technical assistance are available by phone, fax or email to provide full support and answer any questions regarding our services.

**Selling**

- **\*Uncover new Business Opportunities.** Once registered as a 24-7 supporter, you will be invited to participate in future auctions.
- **\*Level Playing Field.** Reverse auctions allow you to see what other bidders are offering, so you have a clearer understanding of what the market price is and can compete more effectively for the business.
- **Bid Quickly and Easily.** 24-7's web based auctions makes it easy for you to bid interactively world wide. If you are unable to access the internet during an auction our skilled and dedicated team can submit bids on your behalf.
- **Eliminate Security Risks.** While suppliers can see what their competitors are offering, company names are cloaked to protect you confidential information.
- **Full Technical Assistance.** 24-7's Technical assistance are available by phone, fax or email to provide full support and answer any questions regarding our services.
